This is your chance to get your pride and joy buffed and out for a weekend.

## SATURDAY AFTERNOON ACTIVITY

Those who have been to car camp before will know that usually we take time for a drive in the countryside.

This year is one is for the enthusiasts that love an afternoon drive on a beautifully twisty country road.

Half the fun is getting there while the other half is socialising with one another, the outdoors, and supporting a new takeaway shop in Stuart Town.

Passengers are welcome, as long as they don't ask - 'are we there yet?' However questions like, can we do that bit of road again please, are encouraged!
